Fleet Captain's Report

Aloha Fellow Members,

May you all be doing well in the wake of Isaac. At least we were able to enjoy beautiful conditions for the "Big Mouth" Sea Buoy Race before hauling or moving our boats.

Speaking of the Sea Buoy....I understand Kirk, flying his NACRA Carbon 20, barely rounded first against the single keelers. After spending almost three minutes restarting (avoiding an OCS along with Smith) Newkirk and Holmes began their charge to take the "Multihull Big Mouth Award." Smith and Barberi finished second with their NACRA I 20. Bert Jr. and Andrea Pedersen climbed back, after a lengthy capsize in the Gulf, to finish across the line just ahead of Tom Whitehurst and Mike Pedersen for third on the podium in the F 16 Match Race.

Congratulations to Don Williams and his crew aboard **Shaman** for winning the 2012 "Big Mouth Award." After just returning to our area, Don used the old double - head rig trick to slip away from the Non - Spinnaker Fleet and claim the coveted award.

Kairos, sailed by Lou Makarowski, finished second, and Bob Kreigel sailed a Kiwi mini - tonner, **Half Pint**, to a third place.

Coyote, skippered by Rick and Margo Zern, snagged the top position in the Spinnaker Fleet, followed by **Reach Around** (Jeff Hunt and Team) then **Radio Flyer** and the McMillan Clan in third.

Our Rear Commodore, Lisa Sharp, out did herself again by preparing a 'Big Mouth' hamburger party for the awards presentation. Vice Commodore, Mike Pedersen, also reminded the large crowd that Jason Knoll won the "Skunk" Award for the second year in a row. Way to go, Jason! My thanks go to Jan Wilson, Joseph Bello, and Millie Rice for helping me 'get er done.' Commodore DJ, our scoring wizard, sailed the computer for the final results. Thank You all for a super job, as usual.

Our Junior Sailing Camp was a huge success this year, and we owe our thank you's to Chuck Beverley, Cindy McBride, Mark Smith and all the volunteers who spent a week on the water with the children. The day I visited our group at Shoreline Park I saw a bunch of kids and 'senior' kids enjoying a day together learning more about the sea and sharing the spirit of sailing. Let's have a weekend - long Spring Sailing Festival and Summer Camp next year!

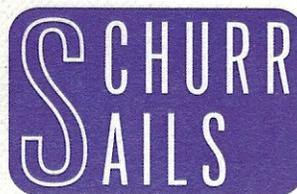

On September 21 we will host the Pier & Back Race. This distance race to the Pensacola Fishing Pier will include PHRF Spinnaker, Non - Spinnaker, and multi-hull classes. The NoR will be posted by the time you read this if all goes well. Plan on a Non - Spinnaker start early that Saturday morning.

The 2012 GYA Multihull Championships will be hosted by PBYC the weekend of the 27th - 29th. This will be a buoy racing contest that will be the stage for many of the finest multihull sailors the GYA has to offer.

Our yacht club will be depending on full support from our sailors and members who wish to enjoy top level sailing from 'the best seat' available...service on race committee. On Wednesday, September 5, I will present a "Welcome to the Race Committee" session at 7:00 PM in order to recruit and develop a team for the duty of conducting the three major multihull championships remaining in 2012, the GYA regatta, the IWCA Hobie Wave NAs, and the 2012 US Sailing Hobie Alter Championship. Many of you have expressed interest in becoming a race committee volunteer, and this is our chance to make it happen. Make plans to join us at PBYC on Wednesday, September 5 at 7:00 PM and build a team from the "Best Little Yacht Club in the South" that will make 'Mother' Pensacola Bay proud!

These special events should not be missed. Our Spring and Summer sailing contests have been superb; let's make our Fall and Winter sailing better than ever.

Share the Sea,
Bert Rice

Rear Commodore's Report

August is gone but not forgotten. Big Mouth Regatta is always a great event and this year was no different. It was a beautiful day on the water and the "Anyway you want it" burger bar seemed to be a great hit. We had The Pizza Burger, The Aloha Burger, The Fiesta, The Heart Attack, and who could forget.....

The Psychedelic! You guessed it shrooms! Thanks to Andrea Pedersen for making her award winning chili and Cindy McBride for all her help with the setup. Couldn't have done it without you.

Now that the Summer is winding down and the kids are back to school two things come to mind. We get our beach back from the tourists andfootball season! Make sure to come out and cheer on your favorite teams and bring a dish to share. This is also a great time to get out on the water and do some small boat sailing and paddle boarding! Will start planning some afternoons on the water so make sure to get out there and get your bottom wet! Just make sure to look out for the me on the Crash Test Dummy.....you never know where I'll end up.

Coming up in September is our 30th B-day party. This should be an awesome party so look out for the email with the details. We will also host the Pier and Back Race and the GYA Multihull. Make sure to come out for all of these events. I am also looking for volunteers to help with the b-day party and our upcoming Halloween celebration, so if you're interested please let me know.

Looking forward to another great month at "The best little yacht club on the Gulf"!

Race for the Roses Committee

I missed my chance to write something in the Spreader last month. I must thank my Roses Committee: **Julie Connerley, Karen Kriegel, Debbie Belger, and Lisa Sharp** for keeping me on task. The on-shore ladies, **Mildred Price, Wanda Hamilton, Trudy Rawjea, Corrie Keich, Kimi Smith, and Janice Wilson** for taking care of everything at the club. We had some great team work going on. Another great race Bert Rice and DJ.

I want to congratulate the winners of this years Race for the Roses.

The Roses Committee would appreciate it if everyone would take the opportunity to thank and patronize our sponsors. They are :

Building Search Committee Report

The contract of sale, long pending on the Marina property, has failed to acquire necessary mortgage loans, and per Jerry Wright, Managing Partner of the Sabine Marina LLC, the deal has failed and the prospective buyers have discontinued all effort to close. The deal is dead. -----That means PBYC is back where it started two years ago when we signed a five-year lease on our current home. We have the right to use the leased clubhouse until April 30, 2015 and the obligation to pay rent on it until that time. Since the LLC has been trying to sell the property since 2009, our lease was predicated on a written "escape clause." That clause states that if the LLC finds a buyer, and if that buyer wants to use our space, we can be given 90 days written notice to quit the premises from the time the closing documents are signed. In reality that means we have about six months to find another home from the time a serious prospect shows up, signs a contract, performs due diligence, closes on the property, and sends us a letter. At the present time there are no offers on the table. Rumors will abound. Nothing has changed. We have been living on rumors for the 13 years I have been a member. It is the responsibility of my committee to give you and the Board of Directors immediate notice if any legal offer is made and accepted. That we shall do.-----Should the day arrive when we are forced to leave or want to leave in April 2015, my committee's responsibility is to keep current an inventory of properties that we could immediately act on and make an offer for, either to buy, or lease-purchase, or just lease. For instance, there are at this moment, two locations on Pensacola Beach of great interest to us, and several others in Gulf Breeze that are less desirable. Of course we have a lease until 2015, but if that ever changes, we will go into action. I will keep members advised monthly via the Spreader and if you wish, you can speak to me personally at the club each Wednesday or Friday. I will be the person drinking scotch from a real glass.
